**The number of nucs are limited and filled on a first-payment-received basis.** Once I am sold out, I cannot accept any more orders for that date. You can check the current availability of packages on the website, [www.pabeekeeper.com](http://www.pabeekeeper.com).

Nucs will consist of:

1. A freshly mated queen, on brood of her own heritage.
  2. 5 Deep frames consisting of, 2 Brood, 2 Honey, 1 frame can vary Brood, Honey, Foundation for expansion, or Frame Feeder.
- \*Bees can change occupancy of frames as they see fit.

**Please contact me if you use medium frames.**

The queen heritage is derived from over five years of grafting from Minnesota Hygienic Queens, as well as stock from survivor queens that excelled in our harshest environments, plus breeders from Latshaw's and other renowned breeders. Some queen cells from Dave Miska are added to keep genetics diverse.
